AURA

OF SPRING

# Joseph Ribkoff

## SIGNATURE

Step into a world where effortless elegance, feminine charm, and fluidity take precedence. Dreamy pastels interspersed with bold brights sway to the flow of weightless, multilayered, sheer chiffon overlays. Ethereal silhouettes are interpreted through dreamy water colors, opulent splashes of color and vitalized floral graphic prints. Styles are enhanced with shoulder ruffles, bedazzled necklines, pleated sleeves and metallic finishes that bring an additional touch of whimsy.

Encapsulating the aura of spring, the collection revels in four series of occasion-focused ensembles, whether it be one-and-done dresses that hug the figure, or elevated separates that can be broken up and paired with pieces currently in the closet. This collection was tailored to empower women who savor the vibrancy of life in clothes that bring elevation and elegant functionality.

A harmonious balance between bold and delicate perfectly translates the vernal equinox: the flow of water, the moving wind and tide and the exuberance of flora regenerating. Celestial-like suppleness guides the collection into a world of enchantment where romance, poise and femininity reign supreme.
